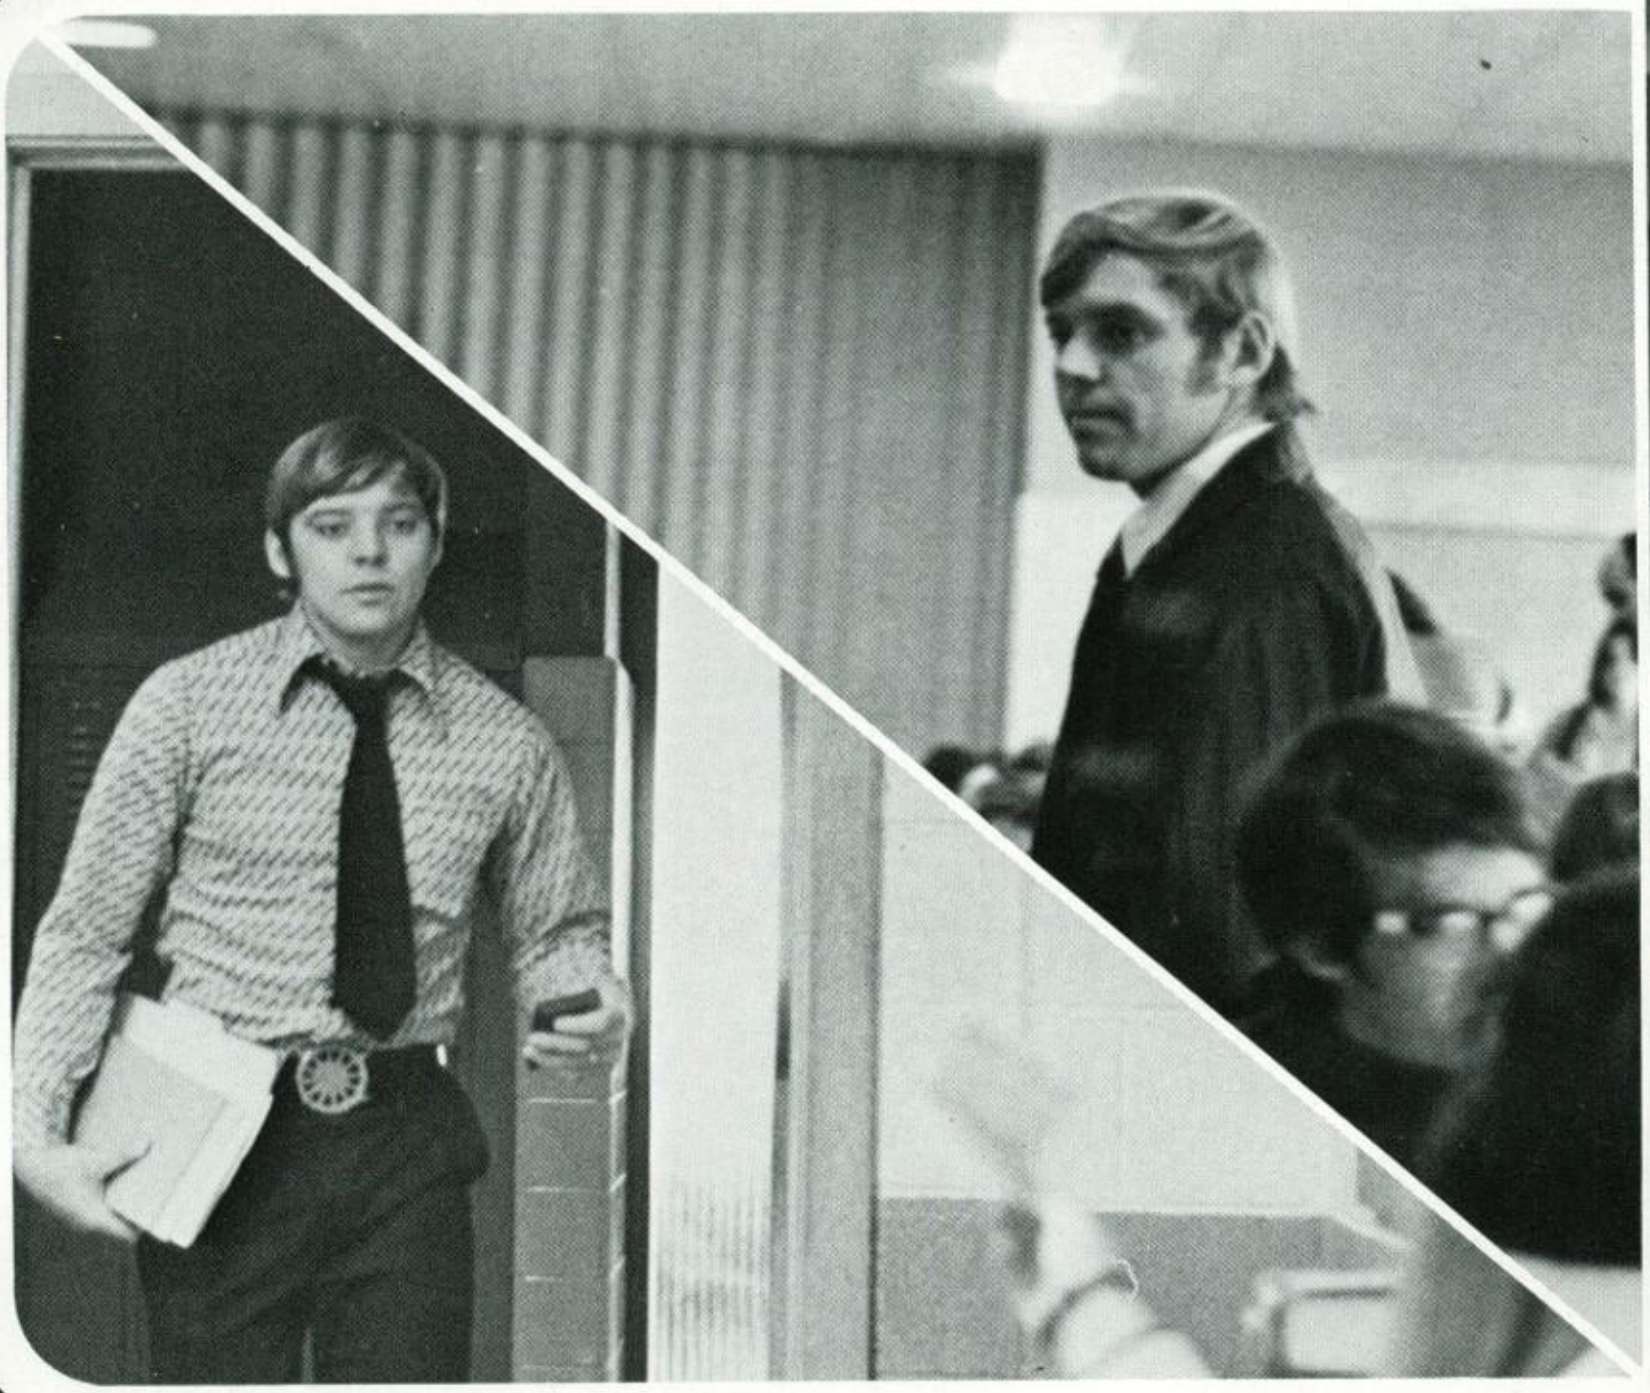
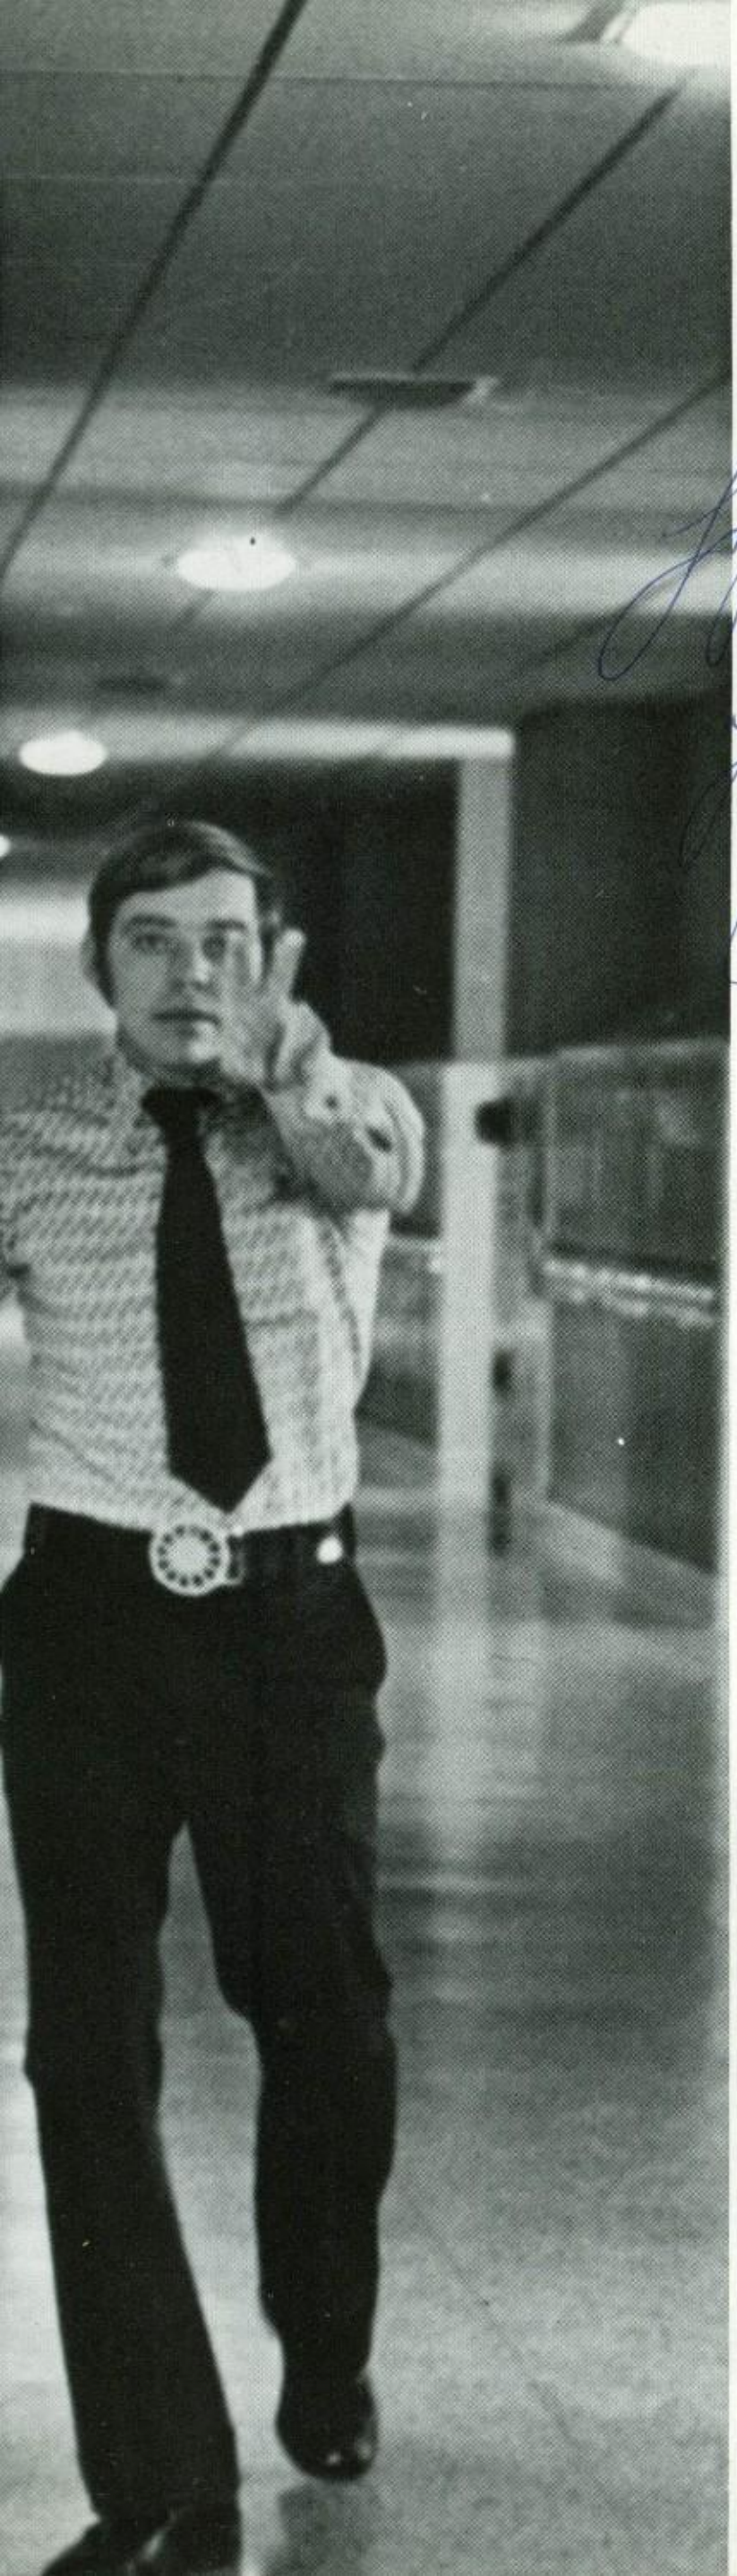
In Dedication To

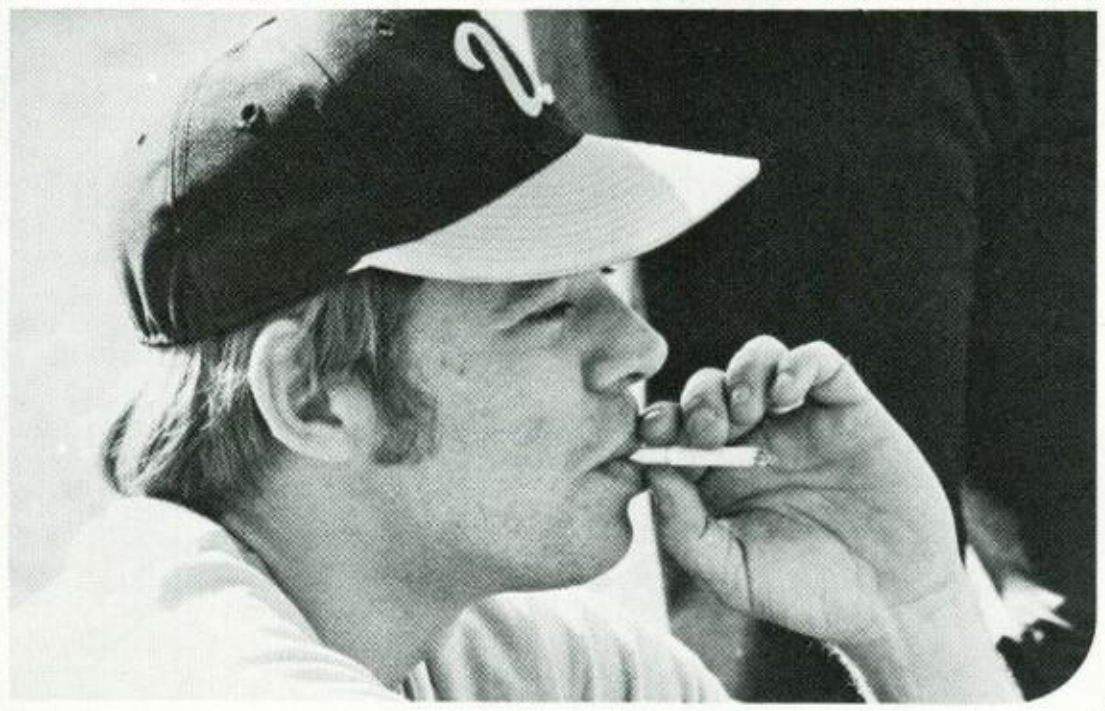


"Reach out and touch,
Somebody's hand.
Make this world a better place,
If you can."
Nick Ashford and Valerie Simpson

Everyday we touch those around us. We seldom realize how our thoughts, our actions, and our words affect others. One touch can change a thought, a value, or a life. The class of 1975 would like to thank you Mr. Kern, for touching our lives.



Richard C. Kern Jr.



"A teacher affects eternity; he can never tell where his influence stops."

Henry Adams

To every thing there is a season
and a time to every purpose
under the heaven:
A time to be born, and a time
to die; a time to plant, and a time
to pluck up that which is planted;
A time to kill, and a time to
heal; a time to break down, and a
time to build up;
A time to weep, and a time to
laugh; a time to mourn, and a
time to dance;

A time to cast away stones,
and a time to gather stones
together; a time to embrace, and a
time to refrain from embracing;
A time to get, and a time to
lose; a time to keep, and a time
to cast away;
A time to rend, and a time
to sew; a time to keep silent, and
and a time to speak,
A time to love, and a time
to hate; a time of war, and a time
of peace.
Wisdom is the principal thing;
therefore get wisdom: and with all thy
getting get understanding.

Administration

1974 was a year of cover-ups, trials, and rising prices, but it was also a year of anniversaries. This year marked 35 years in the field of education and 15 years at Unionville for Garland H. Hoover. He came to Unionville in 1960 as assistant principal for, as he termed it, "just a few years." After 7 years he accepted the job of principal. During his years as principal, Unionville has seen many innovations, among them the lounge system, independent study, and early dismissal for seniors.

At the end of the season, Mr. Krug led a weary but triumphant soccer team off the field.

"It was a fantastic year! In many respects it can't be equalled; however, there is room for improvement. The main reason we were successful this year is that we knew each other very well and that counts!"-Howard E. Snow III

9th Grade Soccer

This year's 9th grade soccer team carried a record of 6 wins, 1 tie, and 3 losses off the field.

The team can be proud of this impressive feat.

"We did pretty well and we worked together. We had a really good team and a good coach."

Football

Webster's dictionary defines success as attaining one's desired end. In that case, a good synonym for success is UHS's incredible football team. With their impressive record of wins, success is unavoidable.

"I'm very proud of the team's performance this year, especially the freshman. They've done a fine job."

Mr. Hough, Coach

"...UHS football has taken a big step forward."

"As a sport wrestling has greatly improved over the last few years. It is a great individual sport and the rewards are many. This season the team combined their skill, spirit, dedication, and hard work to make one of the better teams produced by Unionville."

Scott Hammond

"I wish to say that I am honored to have been a part of this team. Although the team record was not outstanding, great recognition shoud be given to each member for a 100% out-put. To the fans and cheerleaders go special thanks for they were with us all the way."

Art Sipala

The 1975 Wrestling team has proven to be of exceptional quality. With Mr. Vern Ramberger as Head Coach and Mr. Dwight Middleton as Assistant Coach, the team has practiced to perfection. The team is expected to exceed a season of 500 by winning over half of its meets. It has won all of its non-league meets.

During the Christmas Tournament at Garnet Valley, the team, as a whole, was awarded third place. Joe McMenamin and Art Sipala won first place trophies in their respective weight classes. Second place was awarded to Scott Hammond. Third places for the classes of 105, 112, and 145 pounds were taken by Mike Mumford, Warren Voter, and Joe Boyle.

Five of the Varsity team members have remained undefeated: Bill Squire, 119 pounds; Joe McMenamin, 126 pounds; Art Sipala, 138 pounds; Scott Hammond, 185 pounds; and Rich Pellak, heavyweight. Although the team will be losing these five and four others: Mike Mumford, 105 pounds; Mark Prengle, 155 pounds; Dave Yarnall, 167 pounds; and Bruce Thompson, heavyweight, the coaches feel that there are many promising wrestlers being developed for the years to bome.

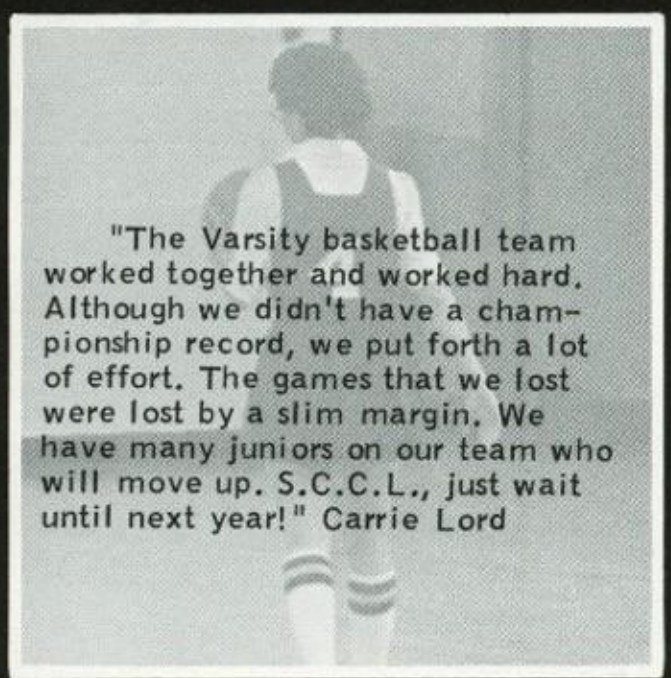
"Wrestling has come a long way in this school, not only as a sport but as a spectator sport. Not only is the sport interesting to our fans but its personal satisfaction is very rewarding. The feeling of being able to go out on the mat alone in front of your fans and beating your opponent to a pulp is the reward of the hard work and discipline which a wrestler has to face."

Bill Squire

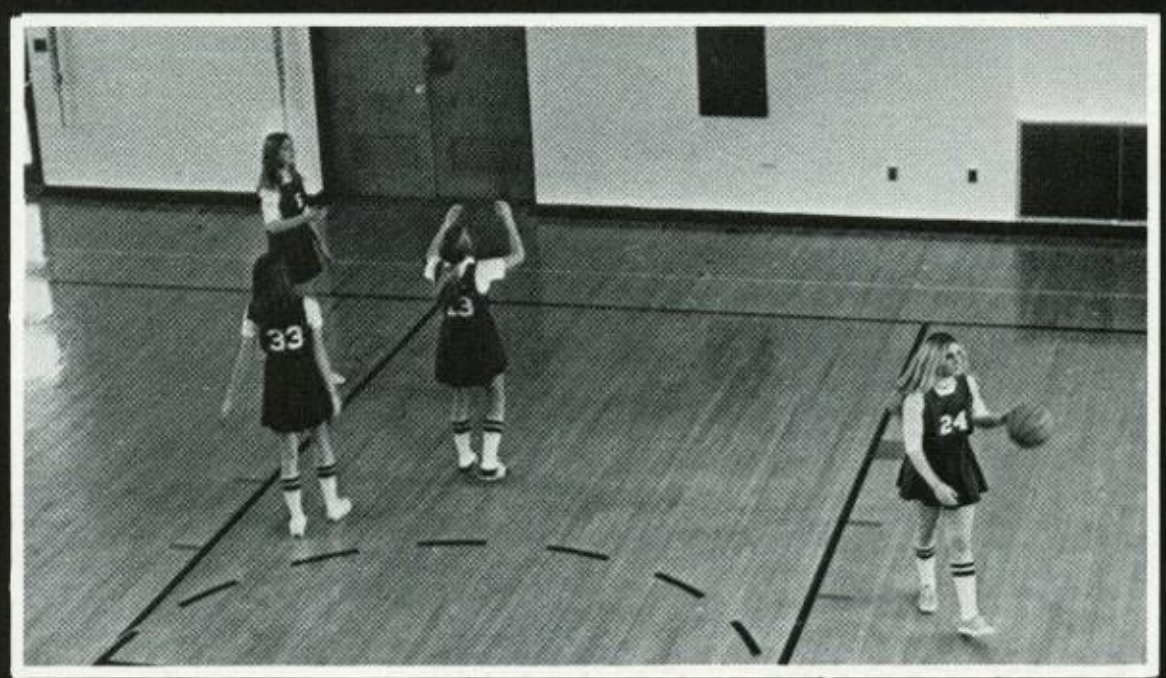
"Wrestling is a one of a kind sport. It takes a lot of dedication, spirit, and willpower. You must be a true athlete."

Joe McMenamin

Girls' Varsity



"The Varsity basketball team worked together and worked hard. Although we didn't have a championship record, we put forth a lot of effort. The games that we lost were lost by a slim margin. We have many juniors on our team who will move up. S.C.C.L., just wait until next year!" Carrie Lord



Basketball

Track

The track team of the spring of 1974 was, at the most, perfect in every way. After a suprisingly good first half of the season, they went on to be undefeated during the second. With their bodies straining and the sweat pouring, the track team gave their all. Undaunted by trivial defeats, they strove to gain every last inch, every second, and what they could not achieve in one day, they worked harder for the next.

Vo-Tech

Central Chester County Vocational Technical School is built upon the theory that one should "prepare today for tomorrow's future." With this in mind, the school offers students an opportunity to combine their academic studies with vocational or technical studies. The students may receive employment or continue their education after graduation. They are encouraged to participate in both home school activities and Vo-tech clubs such as the Future Farmers of America (FFA). Since the program began, the number of Unionville participants has increased yearly. This year there were 38 Vo-tech students and more are expected next year. Because of this program, students are able to enjoy the best of two schools at the same time.

The class of 1975's Junior play was the comedy GET SMART. It was the thrilling adventure of Maxwell Smart and Agent 99's battle with the head of KAOS, Mr. Big, and his diabolical agent Garth. They planned to conquer the world and kidnap beautiful Princess Ingrid whom Maxwell Smart was to protect. Professors Dante and Zalinka, who had invented a laser beam, were in cahoots with Big, and it was up to Max and Agent 99 to save the Princess and the world.

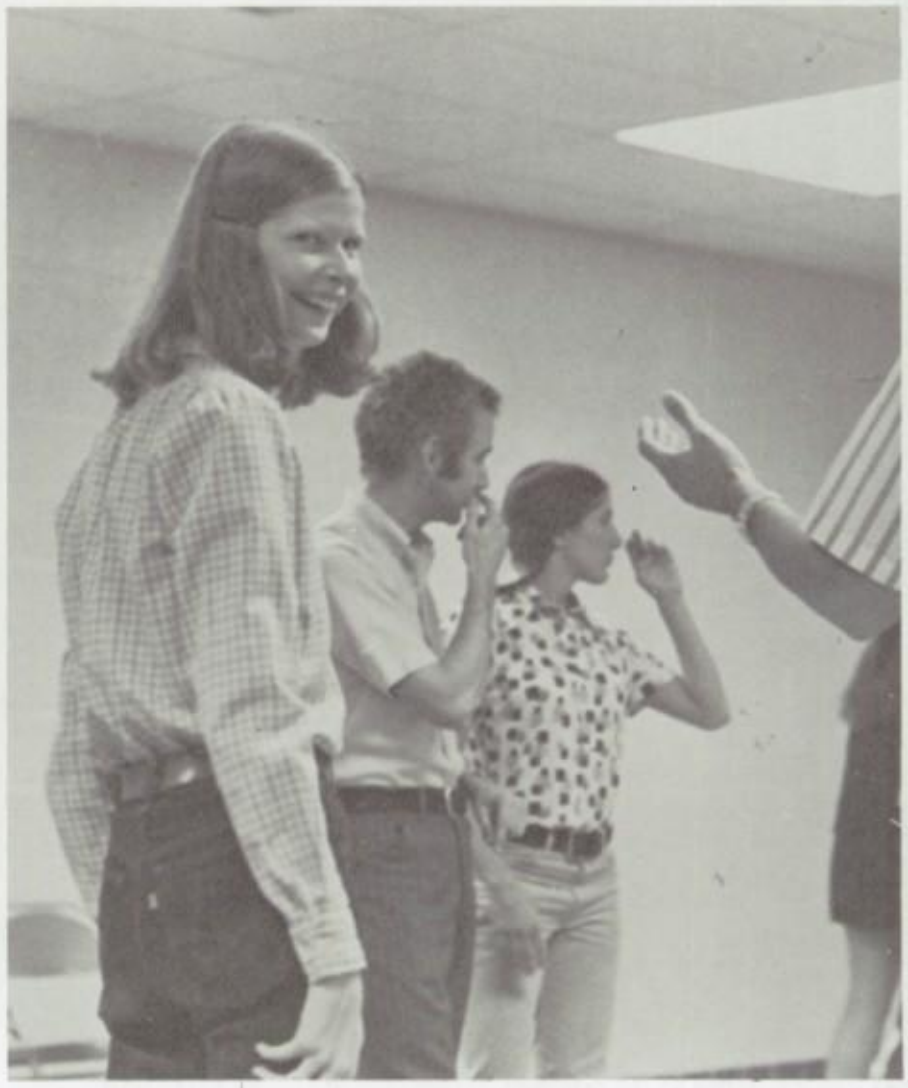
Harvest Queen — 1974

Unionville Community Fair



1974 marks the fiftieth anniversary of the Unionville Community Fair. Through the years, the fair has grown from a small corn show to an exhibition of much larger size and scope.

The Harvest Queen Pageant and the Chicken Barbeque Supper, not included in the original fair, have become part of the fair tradition. Held annually in October, the fair is open to the public and is a fine example of members of the community working together.

50th Anniversary

The 1975 Homecoming Court was made up of Ann McLaughlin from ninth grade, Sharon Clark from tenth grade, and Lorraine Armstrong from eleventh grade. The senior court consisted of Linda Connor, Cindi Hazlett, Sandy Miller, and Laurie Pfeifer. Kathy Schiller, the 1974 homecoming queen, crowned Kathy D'Lauro, the 1975 queen. Dave Freeman got the M.V.P. award and he and Tom Ferron made the All Star Team.

Bye, Bye, Birdie

Conrad Birdie, a rock 'n roll singer of the 1950's at the apex of his career, is suddenly drafted. As a publicity stunt, his manager, Albert Peterson, arranges for Conrad to deliver a farewell kiss to an American teenage girl. The lucky girl is Kim McAfee, President of the Sweet Apple Chapter of the Conrad Birdie Fan Club. Conrad's "one last kiss" not only disrupts Sweet Apple but adversely affects Albert and his secretary Rose Alvarez.

Under the direction of Mr. Wood, the cast gave a superb performance.

It is impossible to describe a collection of one hundred and seventy-six human beings without doing all of them a grave injustice. Each is a unique individual with his own accomplishments and failures.

Perhaps for the last time, collectively, we present the Class of Nineteen Hundred and Seventy-Five.

"I'll lend you for a little time,
a child of Mine," He said,
"For you to love the while he lives,
and mourn for when he is dead.
It may be six or seven years,
or twenty-two or three,
But will you, till I call him back,
take care of him for Me?
He'll bring his charms to gladden you,
and tho' his stay be brief,
You will have lovely memories
as solace of your grief ..."

Love
Chris

Lynn Remember Club Light and Sound and all the good times we had. I told you I would take up a whole page and I'm going to try and do it. Remember lunch(s) and stop making so much noise in your yearbook!!!((((((Next year I wish you could be in band because we have a lot of fun getting up at 5:30 in the morning (But that would be OK for you since you stay up all night (on the town?)) anyhow!) Take good care of that diamond ring over the summer and by all means don't eat the ring. When you were busy baking you interrupted my train of thought. When you called me Annette, which is a laugh in itself) your set off a time bomb. Next time I see you it is due to explode. Well I used a whole page so

Love & Hugs & Kisses
Marie

Lynn,
